Dear Parents/Caregivers

NATIONAL ASSESSMENT PROGRAM LITERACY AND NUMERACY (NAPLAN)
Students in Years 3 and 5 completed the NAPLAN assessment tasks this week. Student reports will be distributed to parents later in the year once they are received by the school.

GRANDPARENTS’ DAY AND ART SHOW
Next Wednesday afternoon we will be holding our Grandparents’ Day and Art Show. This is always a highly enjoyable event for all. Details and times are included in this newsletter.

UNIFORM SHOP
We are very fortunate to have volunteers to run our uniform shop. This provides a number of benefits for the school including a consistent and well respected uniform and competitive prices. Any profits are directed back into the children’s education through the P&C.

Recently the shop has been very busy and the volunteers have been the subject of criticism from customers (other parents). I would ask that all customers of the uniform shop please be patient and respectful of our volunteers.

VOLUNTARY SCHOOL CONTRIBUTIONS DRAW
At last week’s primary assembly, I conducted the draw for the Voluntary School Contributions. The $100 uniform shop voucher was won by the Boatfield family and the two family passes to the Museum of Fire were won by the Stephan and Ridge families.

STEWARDBSIZE HOUSE MUFTI AND RAG BAGS
Our Stewart House mufti day last week raised $810.10. Well done everyone.

Stewart House rag bags are being sent home with today’s newsletter. All bags, full or empty, must be returned to school by Wednesday June 18. Bags may be left outside the front office.

OPPORTUNITY CLASS APPLICATIONS
A reminder for parents wishing to apply for Opportunity Class (OC) placement for Year 5 in 2015, applications close tomorrow.

Applications may be completed online at: https://www.shsocplacement.org.au/registration/

REFORMS TO P&C FEDERATION
The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations. Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.

**PEER SUPPORT**

There are many qualities that we enjoy in a good friend. In Peer Support this week the children will look at some of these qualities and discuss why they are important and how we can practice them and put them into action.

Take some time to ask your children if they learned some qualities of a good friend and encourage them to put these qualities into practice both at home and at school.

Dear Parents/ Caregivers,

During Term 3, we will be offering the NAB AFL Auskick program to Stage 2 students in place of their regular sports activities. We are now seeking expressions of interest to gauge numbers in booking and coordinating the activity.

The NAB AFL Auskick program is an introduction to the game of Australian Football. It is based on a weekly coaching program which focuses on teaching the skills of AFL through appropriately modified activities and rules. Sessions will be led by coaches from Sydney West AFL with additional support and supervision from some of our Stage 2 teachers.

The program will run in the first 6 weeks of Term 3 within the regular Stage 2 sports timeslot. Each session will run for approximately 1 hour. This program will be in place of our regular modified sports activities conducted while the PSSA teams are away competing. Students participating in Winter PSSA won’t be eligible to participate in the NAB AFL Auskick program.

The cost of the program will be $27.50 per student. Along with coaching provided in the six week program, students will also receive a NAB AFL Auskick pack containing a synthetic football, pack of AFL footy cards, AFL activity book and NAB AFL Auskick Kick Back book which includes discount vouchers. Our school will also benefit from links to community clubs.

While those who were involved in the AFL Auskick program in past years found it an enjoyable experience, participation in this program is optional. Those students who choose not to take up the offer of the AFL Auskick program will remain in their existing sports groups and continue to participate in a range of modified sports under the instruction of our Stage 2 teachers on Fridays.

If you would be interested in having your child participate in the NAB AFL Auskick program in Term 3, please complete the slip below and return it to your child’s class teacher by Friday, May 30, 2014. In Week 6, permission notes will be sent home to parents who have returned an expression of interest.

Thanking you,

Mrs J. Curkovic  
(Auskick Coordinator)  

Mr Colin Ross

NAB AFL Auskick Program - Expressions of Interest

Dear Mrs Curkovic,

My child ___________________________ of class __________________ is interested in participating in the NAB AFL Auskick Program in Term 3 at a cost of $27.50. I understand that this program will be offered in place of the regular Stage 2 sports activities; conducted at the same time (while PSSA teams are competing) on Friday mornings. I am aware that I will need to complete a separate permission slip at the end of this term when money for the program is being collected.

* Please do not attach money with this expression of interest. Payment will be collected at a later date.
WALK SAFELY TO SCHOOL DAY

Walk Safely to School Day (WSTSD) is an annual, national event when all primary school children will be encouraged to walk and commute safely to school. It is a community event seeking to promote road safety, health, public transport and the environment.

It will be held throughout Australia on Friday 23 May 2014.

The objectives of WSTSD are:

- To encourage parents and carers to walk to school with primary school age children and reinforce safe pedestrian behaviour.
- To promote the health benefits of walking and help create regular walking habits at an early age.
- To ensure that children up to 10 years old hold an adult's hand when crossing the road.
- To help children develop the vital road-crossing skills they will need as they become mature pedestrians.
- To reduce the car dependency habits that are being created at an early age and which will be difficult to change as children become adults.
- To promote the use of public transport.
- To reduce the level of air pollution created by motor vehicles.
- To reduce the level of traffic congestion.

We hope that you will be able to support this day.
