Peer Support
Solving problems and coming up with alternative solutions is an important life skill that our children will explore during Peer Support this week. They will also spend time considering the importance of including others in their games and activities so they can be sure to share the fun they have with others.

Continue to encourage your children to include others when they are playing at school as well as with friends at home.

Term 3 “Tri-Skills” Gymnastics Lessons

Thursday 12 June 2014

Dear Parent / Caregiver,

Gymnastics is a mandatory component of the NSW Physical Education Syllabus. To ensure that every student at Quakers Hill East has the opportunity to develop confidence and an appropriate skill level in gymnastics, the school will acquire the services of qualified professionals in gymnastics coaching.

Two representatives from the “Tri-Skills” company will coach students in 1M, 1D, 1B, 1AR, 3B, 3R, 5S, 5T and 6T each Monday starting on Monday 21 July 2014 during Term Three. The students in 2S, 2K, 2B, 2C, 3C, 5W, 6W and 6G will participate each Tuesday starting on 22 July 2014 during Term Three. Each class has been allocated a 30-minute timeslot for eight consecutive Mondays or Tuesdays next term. Students in the remaining classes will be having their lessons in Term Four.

The school has subsidised the 8 week program this year and the cost is $34, payable by Friday 18 July 2014. The amount must be paid in full as weekly collections will not take place.

The Gymnastics program is a part of the normal school curriculum and your child’s participation is strongly recommended.

Please complete the attached permission slip and return it with full payment of $34 in the envelope provided, to the school office by Friday 18 July 2014.

Should you require any financial assistance to assist with payment, please contact the school office for a confidential meeting with Mr Ross.
