Meeting was started with a brief presentation from Gil France about Neighbourhood Eyewatch. Details about this to be included in the school newsletter.

Marketa opened the meeting and acknowledged the resignation of Rebecca Kennedy as President and thanked her for her work while in the role. She also reminded the meeting that the P&C is not responsible for responding to issues raised by parents about the school. These should be directed to the Principal or Vice Principal.

Rebecca’s resignation having been accepted, nominations for the role of President were called for. Tanya Stephan was nominated by Joanne Fickel. The nomination was accepted by Tanya and seconded by Rebecca Kennedy. There being no other nominations, Tanya Stephan was elected President.

As Tanya had been Vice-President this created a new vacancy and nominations were called for the role of Vice-President. Roslyn Morrall was nominated by Rebecca Kennedy. The nomination was accepted by Roslyn and seconded by Alice Bulivant. There being no other nominations, Roslyn Morral was elected Vice-President.

The difference between the two quotes is because of the different materials. Impact fencing has quoted for galvanized wire, whilst Dynamic Sport is PVC coated. This was to give an idea on the difference. Both companies can provide either.

- After discussion it was agreed that while option 1 was clearly the best option it was not within our current funding ability.
- It was suggested that we consider a combination of asphalt surface, fencing and equipment which would enable us to provide a complete upgrade at an affordable price.
- Sheridan will arrange a new quote to cover this option and a decision can be made at the next meeting.
Principal’s Report
- Attached
- Donation of $100 to Ridges zone approved.
- Request for P&C financial support for the PULSE choir discussed. Donation of $400 approved. Process for requests/approval of donations to be discussed at next meeting.

Successes have included participation in the Western Sydney Dance Festival and Aditya Pillai winning the area final of the Multicultural Perspectives Public Speaking Competition.

• The P&C was asked at the last minute to run the canteen for the Ridges Zone Cross Country Carnival. There were a few misunderstandings which I believe have now been rectified. In the past the school which runs the canteen has made a donation to the Ridges Zone. However, that is at the discretion of the P&C members. Thirty free lunches were supplied to supervising teachers, which is the usual practice.

• New member of staff, Joanne Dickerson to commence duty on Monday 25 June on 4B, Monday, Tuesday and Wednesdays. Mrs Sarah Busuttil will continue to teach 4B on Thursday and Fridays. Mrs Katie Yanez is returning from maternity leave on Monday and Tuesdays next term. She will

• Mix up with the $100 voucher for the draw for families who paid their Voluntary School Contributions by March 30. It was given to the wrong family therefore I presented another voucher to the correct family.

• Request for support for the families who have students performing in the PULSE choir at the Opera House in August. Cost for buses to rehearsals and Tee-shirt to be worn is in the vicinity of $75. Adult tickets to the concert are $40 with children’s tickets $30 each. Dinner also has to be purchased on the night of the concert at approximately $8 per student.

• The NSW Teachers Federation has called a 24 hour stopwork for Wednesday June 27 regarding the concern with the current DEC initiatives.

• Every Student, Every School – funding support for schools and reallocation of support staff. We have approximately the same amount of funding and have been allocated an additional 1½ days per week staffing. New teacher Maryanne Cole will commence duty Term 3 for a three week block to assist in a variety of classrooms. She will return for another block in term 4.

• Submission to the National Solar Schools Program has been lodged. We have requested solar panels be purchased and installed. We are still awaiting the outcome.

• Negotiations are still underway to increase the number of students that can be catered for by QHE Combined OSHC Inc. We are still awaiting the outcome.

• Interrelate to visit on the evening of August 7 with their sex education program for Stage 2 and 3 students.

• Term 3 planner will be distributed with the newsletter this week. Just a reminder that Education Week is in Week 3. We will be conducting an olympathon to support Stewart House, our number one charity. We will also have open classrooms

• Ipads and Apple TVs purchased for demountable classrooms with the Good Guy vouchers plus school cheque.

Uniform Shop Report 19th June 2012.

Sales on par with same time last year at approx $11,500.00 since beginning of term.

52 pairs of girls bootleg pants sold and new stock has been received to cover demand.

32 white blouses sold – mainly smaller sizes not for the older girls as anticipated.

100 backpacks ordered to arrive at orientation at lower price of $24.95 as discussed at last meeting.

A formal review of pricing has not been undertaken this year as there have not been any increases which take profit under 20% with the exception of the following:

Tights – increased to $6.05 + 20% = $7.26. Currently selling $7.00 – recommend increasing to $7.50.

Football socks (PSSA) – increased to $7.42 + 20% = $8.90. Currently selling $8.00 – recommend increasing to $9.00.

Recommendation – increase prices as above commencing 1/7/12.
